New Events Planned For 1984 Carnival

Undaunted by the mild weather this winter, the 1984 Grayling Winter Carnival Committee held its organizational meeting last week and discussed ideas for a better-than-ever program next year.

Co-chairman Tim Mead suggested that a treasure hunt be conducted prior to the carnival to promote the festival. Mead, along with his co-chairman Gary McLaughlin, met with a group of interested citizens intent upon getting an early start so that all details can be worked out early in the winter.

Among new events planned by the committee were a snowmobile race and a marathon run from Grayling to the Hanson Hills Ski Park where an Olympic torch would be lighted. An expanded ice sculpture contest and such tried and true events as downhill canoe racing, intertube racing, and snowshoe golf were also discussed.

Mead pointed out that a contest to design the carnival button for next year is now in progress at Grayling High School.

Courthouse, Avalanche Closed

The Crawford County Courthouse will be closed all day Good Friday. The Crawford County Avalanche will be open for business 9 a.m. to Noon before closing for the rest of the day on Friday, April 1.

To Start Life Saving Class

Jean Schmidt, Crawford County Water Safety Chairman, would like to start an American Red Cross Life Saving Class. The class would be held on Sunday evenings from 7 to 10 in Grayling.

Anyone interested in joining this class please call her at 275-8844. You must be 15 years of age and know the basic swimming strokes (side, crawl, elementary back and breast) and in good physical condition.

Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 29-30 Mar and 5-9 Apr 83.

Firing will be in the following area on the dates and times as indicated.

The Range 40 complex located north of County Road 612, east of Guthrie Lake, south of Old State Road 618 and west of County Road F97 (Twin Bridge Rd). Firing will begin at 10:00 AM (Daily) and cease at 5:00 PM (Daily).

The range will be closed to the public during this period and all persons are warned to keep out of the area identified.

No-Kill Rules Set for S. Branch

by Jon Thompson

The first experiment in Michigan with no-kill trout fishing will begin April 30th on a four and a half mile stretch of the AuSable South Branch.

Fishermen catching trout from Chase Bridge downstream to the Hign Banks will have to release the fish or face penalties. The DNR will monitor the five-year experiment to see if no-kill rules increase the number of large trout in the stream.

Gary Schnicke, DNR district fisheries chief, said the portion of the South Branch along the Mason Tract was picked for several reasons.

First, they felt for no-kill rules to work a stream must have good water quality to support a large population of trout. Next, the growth rate of fish in the stream must be high. Schnicke said the South Branch ranks in the top ten in the state for high growth rate of fish.

Third, the stream must have a relatively low

population of trout to begin with.

"The stream has to have room for expansion - it can't be at it's carrying capacity," Schnicke said. "If you want to add more and larger fish, there has to be a lot of food."

He said recent shock studies and creel counts indicate the South Branch has only about 2,500 fish of all sizes for every mile of stream. In comparison, the north branch may have 15,000 or more per mile and the mainstream 10,000 to 12,000 per mile.

Another reason for selecting the South Branch was the apparent support for no-kill rules here, Schnicke said. DNR surveys indicated 80 percent of the fishermen on the mainstream, 70 percent on the north branch, and 60 percent on the south branch favored having no-kill rules on a Michigan river. About 75 percent on the mainstream, 65 percent on the north branch, and 55 percent on the south branch were in favor of no-

kill rules on their stretch of the river.

Schnicke said the experiment has to have the support of anglers to work. He hopes fishermen will report those who break the law and he also said requests for additional patrols of the no-kill stretch have already been sent to the DNR law enforcement division.

The new rules received mixed reaction from some local fishermen.

Rusty Gates, a lodge manager on the mainstream, said catch-and-release regulations have helped produce exceptional quality fishing on several streams he's fished out West.

"It's all geared to the idea everyone likes to catch big fish," he said. "And there's enough water in the county, that the new rules shouldn't hurt anyone."

Mike Wieland, an AuSable river guide, said it's possible we can learn a lot from it but he

Maple Forest Opposed To 2-Mill Fire Request

Most Maple Forest residents attending a special meeting Saturday were against paying approximately \$9000 a year for fire protection from Frederic Township.

Maple Forest Township Clerk Susan Keene said many of the persons attending were very opposed to Frederic Township's request that Maple Forest pay two mills or the equivalent of what Frederic Township residents pay for their fire coverage. She said a consensus at the meeting was any vote to pay two mills (about \$9000 at current S.E.V.) to Frederic would definitely be turned down.

A current fire protection contract between Frederic and Maple Forest will be ending April 11. Maple Forest is paying for protection on a stand-by and call basis and Frederic Township feels they should pay the same as its residents for operating a fire dept.

At the special meeting Saturday, a four-person

committee was formed to study the options available to Maple Forest. Keene said possible options are protection with Waters, Lovells, Grayling, and Frederic or perhaps more than one of the fire departments at the same time for different areas in the township. Serving on the committee are Dr. Gary

Jenks, Dean Molnar, Barb Hunter, and Al Pochelon.

The committee will report to the township board at the April 21 regular meeting. In the meanwhile, the township will ask Frederic Township for temporary coverage.

Keene said talk of forming their own department did

Hatfield Appointed Hatchery Manager

Howard Hatfield, of Grayling, has been appointed as manager for the fish hatchery by the hatchery committee.

The hatchery, closed since the mid-60's, is scheduled to reopen as a tourist site by Memorial Day or earlier. Hatfield will be in charge of operating the hatchery and supervising the care of trout in the raceways.

Hatfield said once the operation is underway and most of the initial difficulties are worked out, the biggest problems for the fish may be humans, minks, and others.

Hatfield worked at the hatchery in 1948 when the DNR operated it and also has experience planting fish in the AuSable, Manistee, and Rifle rivers as well as area lakes.

School Board Looks At Building Options

The Crawford-AuSable Board of Education is studying three middle school building proposals following their special meeting Monday night.

Kingscott Associates, Inc., Architects and Engineers, of Kalamazoo, and Elzinga and Volkers Construction Management Co., of Holland, presented their estimates for renovation of the middle school, a new structure attached to the high school, and a new structure on the football field site in town.

*Renovation - \$3,616,345

The renovation plan would add new boiler, hot water, and electrical systems; replace floors; insulate and add new outdoor covering; lower ceilings; install new lighting; replace stairs and add an elevator (mandated by codes); complete new roof; change classrooms; improve parking and playground; add cafeteria and music room, and renovate gymnasium.

Four advantages were listed by the two firms for this option: least expensive; maintain ties within town; complete separation of mid-

dle school students from other grade levels, and it's the best utilization of the middle school gym built in 1955.

Negative aspects: still would have 1917 building frame with only 30-year life projection; three-story building not as safe as one story; some classrooms would still be odd-shaped, and still no room for outdoor physical education on site.

*Attached to High School \$4,006,350

The new building will include 23 classrooms and two science labs, library, cafeteria, offices, and storage. The high school gym would be expanded and the high school art room, drafting room, home economics room, wood shop, band and vocal music, and auditorium facilities would be shared.

Positive side: new, safe, modern facilities; shared facilities will be superior; an excellent spectator gym will be created through the addition; allows for maximum flexibility in housing students and teacher assignments as high school or middle school enrollments change,

and 50-year life span for building.

Negative side: more bussing of students, middle school gym would be used sparingly, and some mixing of high school and middle school students would occur in traffic areas.

*Separate Building \$5,089,821

New building located on football field site in town and existing middle school gym would be renovated.

Positive side: New, safe, modern facilities; better spectator gym would be created; more physical education and playground space than at present site; 50 year projected life span, and maintain an in-town site.

Negative side: most expensive; high school may be under utilized if enrollments decline as projected; football field must be relocated, and some mixing of elementary and middle school students would occur.

The board will consider the three options and will decide at their April 11 meeting if they want to go ahead with plans to present information about the options to the public and then put a proposal on the ballot.

Permits for Firewood Change

New firewood permit changes for cutting on state lands go into effect April 1st with the biggest change a \$10 fee this year. In past years, firewood permits were free.

Permits to harvest five standard cords of hardwood will cost \$10 and will be good from April 1st to December 31st. Permits to harvest five standard cords of pine wood will still be free. A standard cord is eight feet long, four feet high, and four long.

be divided into six zones. Woodcutters must decide which zone they want to cut in when applying for the permit.

He said only 100 percent dead trees may be taken and a new list of rules will be handed out with permits.

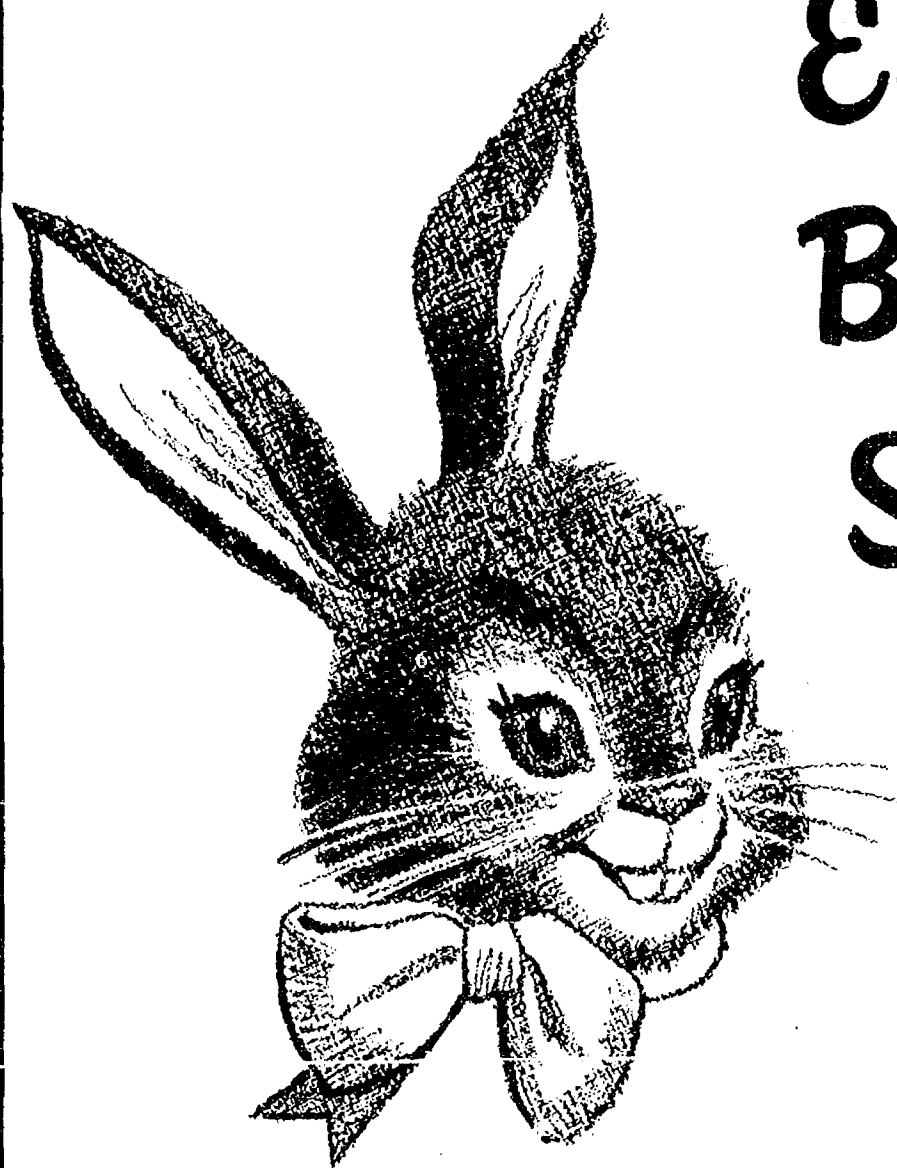

"The wood is getting scarce out there," McMillan said. "Woodcutters will have to go farther off the trails and work harder to get it."

Don Torchia, DNR Area Forester, said one of the reasons for the new fees was to stop flagrant abuses of the free firewood system. He found one spot where more than 70 live trees had been girdled so a woodcutter could come back later and harvest them as dead trees.

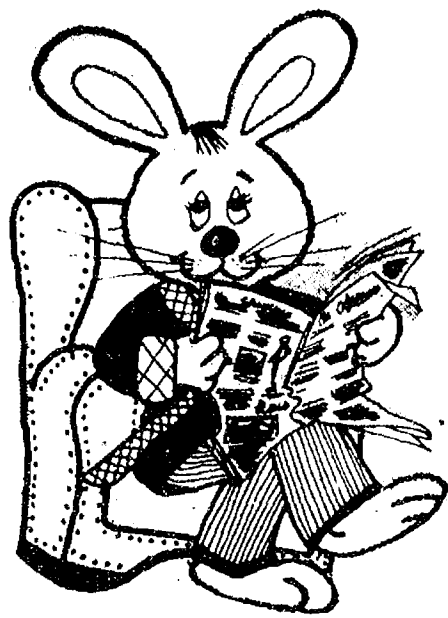

Torchia said as the supply of easy-to-get dead wood dwindles, more live trees are being cut. He said the new permit changes will help stop some violators.

ARTS COUNCIL DONATES \$200 — The Crawford County Arts Council, represented by treasurer Gerry Yates, gives a \$200 check to a fund to help GHS seniors George Morse, left, and Tim Taylor pay for a European musical tour as part of the Blue Lakes International orchestra. Last week the two seniors received \$500 from the Rotary Club toward their tour. The arts council raised close to \$400 Saturday at the bake sale and grab-it-giveaway.

week.

Miss Nancy Fenton
was 12 years old March
25th, and to celebrate
the occasion some 18 of
her girl friends were in-
vited to her home in the
afternoon from 4:30 to
7:30. The girls enjoyed
games, in which Janet
Rowland, Janice
Stewart, Linda Knibbs,
Rhea Stripe and Sharol
Johnson won prizes.
Then it was time for
supper, and the group
were served baked
beans, macaroni and
cheese, tuna and egg
salad sandwiches, hot
chocolate, ice cream and
birthday cake, which
made a hit with
everyone. Each girl
received a favor as a
departing gift, & Nancy
received many lovely
presents.

Mr. and Mrs. Billy
Kinkert drove to Lan-
sing Thursday, on
business, and visited
friends and relatives
before returning home
on Sunday.

Mr. and Mrs. Ray-

at Boyne Mountain
Friday, finishing up
with dinner at the
Chimney in Cheboygan.

Mr. and Mrs. Al
Elzinga of Gaylord are
pleased to announce the
arrival of a baby
daughter, Lynn Eliza-
beth, on March 27th.
She weighed 7 lbs. 1 1/2
ozs. Mr. and Mrs.
Harold Long of Gray-
ling, and Mrs. Gertrude
Elzinga of Atwood, are
the baby's grand-
parents.

Mr. and Mrs. Bill
Walker of Roscommon
announce the arrival of
William Henry Walker,
Jr., on March 28th,
weighing 7 lbs. Mrs. Ed
Walker of Grayling and
Alonso Walker of Ros-
common are his grand-
parents.

Mr. and Mrs. Allan
Lucksted and Mr. and
Mrs. James Madill of
Frederic spent the week-
end in Flint, visiting the
Lyman Valentines. Little
Lewis Madill visited
his grandparents, the
Lewis Stillwagons while
his parents were away.

Mr. and Mrs. Harvey
Rowland returned Sun-
day, March 20th, from a
two-week vacation at
New Smyrna Beach, Fla.
On their down trip they
went through an ice
storm in northern
Alabama, the results of
which they saw at Look-
out Mountain, Tenn., on
their return, when they
were unable to visit the
National Park there
because of the extreme
damage to fullgrown
trees and all vegetation,
which had been stripped
or laid flat by the ice.

Mrs. Nyland Hough-

Mr. and Mrs. UHarley

Little Johnnie Joe
Kasper was surprised on
his fifth birthday on
Easter morning when
about ten small friends
were invited to his home.
There was a birthday
cake in pink and white,
and Johnnie received
many nice gifts.

Grayling was greeted
by a snowfall yesterday
morning and it is snow-
ing again today. How-
ever, what snow fell
yesterday melted before
night and the tempera-
ture is so mild today it
probably will not stay
long.

Several friends of Mrs.
F.J. McClain dropped in
to wish her a happy bir-
thday Wednesday even-
ing and the guests sur-
prised her by appearing
in comic dress. Pinochle
and bridge were enjoyed
and a potluck lunch ser-
ved. The guest of honor
was the recipient of a
nice gift.

Mr. and Mrs. J. L.
Martin and son Edward
spent the weekend in St.
Ignace visiting
relatives. Easter Sunday
Mr. Martin's mother
celebrated her 80th bir-
thday, 20 members of
the family being present
for a family dinner.

Weather traditions
have been all wrong this
spring. First the ground-
hog retired in favor of
six more weeks of winter
weather, which he didn't
get, and now when March
came in like a lamb it
failed to be stamped by
lionlike weather and went
out as it came in - like
a lamb.

A luncheon was given
by Mrs. C. R. Keyport
for eight guests at her
home Tuesday. Water
lilies reflected from a
mirror made a very at-
tractive table decora-
tion. Mrs. Esbern Han-
son held the high score
for bridge that followed
the luncheon.

Mrs. N.P. Olson, Mrs.
Nikolin Schjotz and
Ernest Olson returned
Monday from a several
weeks sojourn in
Florida. They spent
most of the time at Fort
Lauderdale, which is one
of the popular Florida
winter resorts. Mrs.
Schjotz says that the
weather was beautiful,
balmly like our June
weather.

The Bible Speaks

From Calvary Baptist Church

CHRISTIAN LOVE AT WORK Romans 12:11

The free enterprise system
in America is marked with
names of men of faith. The
man behind the Rockefeller
billions, John D.
Rockefeller, was in his
younger days a Baptist
deacon. Names like J.C.
Penney and Colgate can be
traced to men of simple faith
in Jesus Christ.

The principles for success-
ful businessmen is clear in
Romans 12:11: "Not slothful
in business; fervent in
spirit; serving the Lord."

1. Not lazy. "Not slothful in
business." Hard work is a
must for any successful
businessman. The Christian
businessman has two
reasons for working hard.
First, because God com-
mands him to work hard.
Second, because it is a key to
success, especially in a
sluggish or competitive
economy.

2. Not listless or spiritless.
"Fervent in spirit." Enth-
usiasm sells. One cannot
easily show enthusiasm
about a product unless one is
personally sold on the
product. The Christian
businessman has two
reasons to show enthusiasm
in business. First, because

God commands enthusiasm,
and if you do not have it, you
have the wrong product or
you are in the wrong
business. Second, you should
be enthusiastic because you
are serving your fellowman
with something which will be
a benefit to him.

3. Not lily to God. "Serving
the Lord." A Christian
businessman is first a ser-
vant of God. In all decisions
concerning the operation of
his business, God should
come first. This means truth
and honesty should be of ex-
treme importance. The
Christian businessman
should be an example of
Jesus Christ to his
customers.

While it would be religious
prejudice to choose or reject
a businessman on the basis
of his religion, his loyalty to
God should make him the
kind of businessman the
public would tend to trust
and support.

The Christian business-
man has two strong reasons
for putting God first in his
business. First, because he
is a servant of God. Second,
because God will hold him
accountable for unethical
conduct. (adv.)

Tests for Kirtland Nursing Program

One of the admissions requirements to enter the Practical Nursing Program at Kirtland Community College is satisfactory performance on the National League for Nursing's "Pre-Admissions Assessment for Practical Nursing" Test (PAAPN - formerly PACE Test). In addition to the PAAPN test, Kirtland requires a math pre-test and a reading readiness exam.

Dates for the testing are April 9th (Phone in registration dates March 28-31 for program beginning August 1983); July 9th (Phone in registration dates June 27-July 1 for program beginning August 1983 or August 1984); and October 9th (Phone in registration September 26-30 for program beginning August 1984 or August 1985).

Check in time is 8 a.m. sharp, with testing beginning at 8:30 a.m. Cost for the exams are \$15.00 and testing will take approximately six hours. The exams will cover math, English and science. Anyone interested in entering the Level I, Practical Nursing Program is urged to take the pre-registration exams as soon as possible in order to identify if deficiencies exist.

Cancer Society Kickoff

The 1983 Cancer Crusade Kickoff was held Wednesday, March 16 at the Traverse City Holiday Inn. Several northern Michigan counties were represented. Those attending from the Crawford County Unit were Valerie Lehti, Marilyn Fick, and Florence Hough.

The 1983 Crawford County Co-chairmen are Nancy Dean and Cathy Hickey. The campaign will be held during the month of May with the Kickoff Luncheon scheduled for Friday, April 29th at the St. Mary's Family Center. This year's goal is \$8225.

The only final answer to cancer is through research... finding the causes of this disease and ways to control it.

Film to be Shown at Free Methodist Church

"God's Prison Gang," a newly released film featuring Al Capone's getaway driver, the last member of Bonnie and Clyde's gang and two other notorious criminals who have become Christians will be shown at Free Methodist Church, 6352 M-72 West in Grayling, on Sunday, April 3rd. The showing is scheduled to begin at 6:00 p.m.

Telling their stories in the 44-minute film are George Meyer, Al Capone's favorite driver; Floyd Hamilton, (Public Enemy No. 1) the last of the Bonnie and Clyde Gang; Jerry Graham, the "robber king" of California; and Ted Jefferson, convicted of crimes from drugs and robbery to murder.

Also featured is "Chaplain Ray," whose Dallas-based Prison Ministry has changed the lives of thousands of inmates over the past 18 years.

The Reverend Larry Evoy, pastor of The Free Methodist Church in Grayling, said he hopes all citizens concerned about the problem of rising crime will attend the free screening of the film.

Private Property Week April 10-16

"Home ownership is a prime example of one of the most precious rights Americans possess — the constitutional freedom to own private property," said Harley W. Snyder, president of the National Association of Realtors.

Snyder also is president of Harley Snyder Co., Inc., a full-service real estate firm headquartered in Valparaiso, Ind. He made his remarks in conjunction with Private Property Week, April 10-16, an association-sponsored annual observance recognizing private property rights.

The 1983 theme is a quotation attributed to Abraham Lincoln—"The Strength of a Nation Lies in the Homes of Its People." This theme bespeaks the efforts of Realtor® and Realtor-Associate® to instill public awareness that widespread home ownership ensures a stronger democracy by dispersing decision-making to the individual household, according to Snyder.

"It also assumes a commitment on the part of each property owner toward involvement with local government processes," Snyder said. "Because the right to home ownership helps provide stability to our neighborhoods, such rights must be preserved for future generations."

Hundreds of local boards of Realtors® across the country will sponsor activities in their communities in support of Private Property Week.

The National Association of Realtors® represents more than 600,000 members involved in every phase of the real estate industry. This year, the organization is making its 75th continuous year of service to America's property owners with a Diamond Jubilee celebration.

Cub Scout News

Cub Scout Pack 3993 held their annual Sheriff's Dept. vs. Cub Scout fathers basketball game on March 15th, at the Middle School. It was a great evening of fun, there was also entertainment by the Jazz Band directed by Howard Taylor, plus many door prizes were given away that evening by Miss Grayling, Heidi Goss.

We also handed out some awards that night to a few boys, real good work boys, keep it up. Don't forget the space derby on April 12th, we'll be looking for all the boys and dads to, hope to see you there.

The final score was 76 to 73, with the dads winning. Great game by all, looking forward to next year.

The court battle over Howard Hughes' estate underscores the importance of having a properly drawn Will. It's expected that federal and state governments will get up to 75% of the estate!

After the Lindbergh case in the 30s, kidnapping was made a federal crime. Even if state lines have not been crossed, federal agents may enter the case after seven days.

Remember the classic movie scene where a policeman demands, "Follow that car!" In real life, if the passing motorist refused to assist the policeman, he or she could be charged with a misdemeanor for having handicapped or frustrated law enforcement.

A writ of habeas corpus may be used to get someone, being improperly held, out of jail. During the civil war, President Lincoln suspended habeas corpus when it was being widely used to get hundreds of draftees out of the Union Army.

House Call: Head Lice

One of the most shocking things that happens to parents is to be told that their child has head lice. Somehow, we think it's disgraceful and humiliating because we associate lice with filthy living conditions. But the fact is that many Michigan children get head lice every year; it is a relatively common condition.

Children get head lice by close personal contact with an infested person or by wearing that person's clothes or sharing his belongings such as combs and brushes. Lice are small insects which live on the scalp and hair of humans and feed on blood. Although they don't transmit disease, their blood sucking causes intense itching that can result in bacterial infections at the scratch sites.

The symptom of head lice infestation (called pediculosis) is severe, persistent itching of the scalp. If your child has this itching, you should make a close inspection of the hairs and scalp. A magnifying glass and a flashlight should be used to spot the small, grayish-white eggs (nits) that are attached to the hair. Lice are hard to see and to locate because they are so tiny and sometimes so few in number. If head lice are found, the whole family should be inspected.

It's sometimes claimed that a vinegar rinse will loosen nits for easy removal, but this isn't true. Nit

removal requires a special metal comb whose teeth have openings less than 0.3 mm so the nits can't pass through. As for medications to kill head lice, there are a variety available over-the-counter or by a doctor's prescription. Be sure to apply strictly according to the instructions. At the time of treatment, all clothing and bedding should be changed. The lice and nits on clothing and bedding can be killed by normal hot water washing and machine drying or by dry cleaning.

If you are concerned about head lice, you can get help from your local health department, or your physician. And remember, it's not a disgrace to have head lice; it's a nuisance which can be corrected.

Plants

In Mrs. Ingvarsson's first grade class a lady named Mrs. Mobarak came in to help them plant alfalfa and Mung bean seeds. Mrs. Carolyn Boone donated the seeds. They are all going to make a salad when the seeds are fully grown. The seeds take five days to grow. This week their sub is Mrs. Wilson. By Jennifer Naour and Heather Willoughby, 5th grade.

Aaron Wilcox' grandfather brought an ambulance to school for show and tell in Miss William's kindergarten class. They got to go inside it. They could fit four people in it. They could fit two people on the roof. Inside they saw braces which they put on like a cast, then when they get to the hospital they put a real cast on. They got to go in the cab and look around. In the back they saw a phone too.

Brian Duncley had a dial-a-ride come for show and tell. They showed them how to get a wheel chair in and how to lock it in. They even showed them a C.B. and they called the station to talk to them. The kids said it cost 25 cents for a ride. Pat Kucharek was the driver and Brian's father is the dispatcher. By Brian Palmer and Bobby Grudzien, 5th grade.

Last summer I planted a tree which normally isn't found in this immediate area, but which does well a bit further south in the State. From appearances, the sassafras shoots look like they might make a go of it this summer although it is a bit early to tell for sure. At one time sassafras, was our first money crop as tons of it were shipped to England. In 1662, the Jamestown Colony was committed by the Crown to produce thirty tons of sassafras. Sassafras was the early American wonder drug as it was supposed to cure almost any ailment. Used as a tea or a tonic, it became the favorite drink of England. When it was rumored that sassafras retarded old age, the sassafras trade reached its peak. A doctor back in the mid-1500's wrote that "it comforteth the liver and stomach, gives appetite to eat, eases toothaches and causeth gravel and stones to be cast out." In addition, legend has it that the odor alone will keep away sickness and evil, as well as vermin. Spoons were often fashioned from the wood, cradles were inlaid with it, and Bible boxes were made of the wood to keep away evil spirits. It was said that a ship with sassafras wood in her hull would never be wrecked. No matter the legend, I am looking forward to seeing an old friend around again.

German Missionary To Speak

Rev. Paul Clark, newly appointed missionary to West Germany, will speak at the Grayling Assembly of God, 911 Elm St., on Sunday evening, April 3, at 6 p.m.

Clark and his wife previously ministered in West Germany at Eurasia Teen Challenge. Prior to missionary application, the Clarks pioneered an Assembly of God church in Free-land, MI.

Mr. Clark will tell of the extensive evangelism needed in West Germany and the plans he and his wife have for service there. The public is invited to attend this special missionary meeting.

Air Disaster Seminar at Kirtland CC

An Air Disaster Awareness Seminar will be held on Wednesday, April 13, 1983 from Noon to 4 p.m. in the Kirtland Community College Auditorium.

The seminar, co-sponsored by Kirtland Community College and Delta College, is designed to identify the massive responsibilities that governmental agencies and service groups must accept if a major air disaster were to occur in one's own area. Discussion will center around how disasters of this nature were handled in other geographical locations of the United States and Canada, and will include films of four major air disasters. It is ideal for viewing by police officers, deputies, firemen, doctors, nurses, civil defense workers, Red Cross workers, and emergency medical technicians.

Cost for the seminar is \$6 per person. The instructor will be John Olepa, staff member, Criminal Justice Training Center, Delta Community College.

Interested persons must pre-register by April 4, 1983, by contacting Vahan Kapagian, Supervisor of Law Enforcement Education at Kirtland, at 517-275-5121, ext. 283.

ATTENTION

Crawford County Transportation Authority (Dial-A-Ride) will have bus service to Kirtland College on Wednesday, April 13, 1983, leaving Grayling at 11:30 a.m. from the City Building and returning at approximately 4:15 p.m. Anyone wishing transportation for this special seminar (Air Disaster Awareness) please call 348-5409 for further information.

The New Dream

By Rev. Thomas A. Bruno
Minister of
The Congregational Church
Roscommon

JESUS WEPT! It is the shortest verse in the Bible. It reveals to us that not only is God interested in what is happening to us, but He through His Son has entered the same humanity that we experience. He was accustomed to pain and suffering. Interestingly enough, though I believe that Jesus laughed and smiled, it is not mentioned in the Scripture. He did cry and wept at the condition He found humanity and the hardness of people's hearts. Isaiah pictured Him as one who would be "rejected, despised, stricken, bruised, wounded, oppressed and afflicted."

Let no one say God does not understand the human condition of mankind. He saw it and experienced it through the life, and especially the death, of His Son. So interested is He in our daily needs and world that Jesus taught His followers to ask God for their daily bread.

When Jesus came down, God became involved. When Jesus lived His life as God's son, God was involved. When Jesus died on the cross, God was involved, gathering all of mankind to Himself. And when Jesus came forth on that glorious Easter morning, it was God who moved the stone.

As God comes to us in this world, we need to be fully aware that God is not detached in some castle out there...but He is involved because He is here.

Thank God, He is blessing This Mess!

GIRLS STATE—Felicia Galvani, left, Karla Dosch, middle, and Shawn Lovely have been selected to represent GHS at the 42nd annual Girls State June 11-19 at CMU. The selection committee of Bill Klinger, Mike Brantley, Jay Doty, Randy Thompson, and Kim Pyle also picked Jodie Hanley, Deanna Hubbard, and Melissa McEvers as alternates. Organizations sponsoring the girls are the Rotary Club, Kiwanis Club, and the American Legion. Kim Pyle was the local chairman for this year's American Legion Auxiliary girls state program.

Senate Republicans
Say Temporary
Tax Hike is Sufficient

After nearly a month of negotiations, Republicans have put forth their own tax proposal as an alternative to Governor James Blanchard's 38 percent permanent increase in the income tax rate.

Senate Minority Leader John Engler of Mt. Pleasant proposed a 1 percent increase in the income tax rate through the end of the current fiscal year — September 30. The tax hike would be retroactive to January 1 to have it in effect for a total of nine months which would produce an estimated \$486 million.

In addition to the income tax hike, Republicans also want business-oriented amendments to the Single Business Tax (SBT) to allow Michigan employers to build, thus creating jobs that will provide solutions to long-term problems facing the state.

Engler said the Republican plan recognizes the need for an immediate solution to the state's financial problems while making changes in the SBT to allow the state to maximize its participation in the economic recovery that appears at hand.

Using Senate Fiscal Agency figures, Engler said the 1 percent increase for nine months would produce an additional \$486 million for total annual revenues of \$4,702.8 million.

With a proposed budget cut of \$225 million, total expenditures, including \$308.3 million in supplements, would be \$4,655.7 million producing \$47.1 million surplus which could be used for the working capital reserve account to accelerate the state's retirement of its accumulated deficit.

Engler's change of the governor's proposed 1.5 percent increase for the same nine-month period would produce a surplus of \$290.1 million with no immediate indication of future spending plans.

Senate Majority Leader William Faust of Westland said the Republican proposal does not respond to solving the permanent nature of Michigan's budget problems.

Faust said the plan was a temporary one based on projections that the economy will show a strong recovery which will put the state back in the same position of deficit should the recovery not come or should Michigan not participate in it fully.

Faust said a more likely proposal to come out of the Senate will be tying an increase in the income tax rate to voter approval of a sales tax increase.

A 1 percent increase in the sales tax rate would produce some \$450 million while a 1 percent increase in the income tax rate would produce approximately \$650 million.

If voters ultimately approve a 1-cent increase in the sales tax rate, the income tax rate could be rolled back by two-thirds of a percentage point.

Voter approval of a 2-cent increase could bring a roll back of the income tax hike by nearly 1.3 percent of the governor's 1.5 percent permanent proposal.

Engler charged the governor's proposal is more than is necessary to solve the deficit problems of the state. He said the governor simply wants to assure a source of revenue for future years.

The Republican leader cautioned that current figures indicate their plan would produce a surplus, but he added the Republican caucus recognizes the possibility that the 1 percent tax increase might need to be extended into fiscal 1984.

The proposed amendments to the Single Business Tax, which have been before the Legislature in past sessions, would carry a cost of about \$125 million.

The proposal includes advancing the increased relief of small business/low profit credits, imposing a job training credit, removing workers and unemployment compensation payments from the tax base, and providing research and development credits and export sales deductions.

La Leche League
To Meet

"Nutrition and Weaning" will be the topic for discussion at the April meeting of the Grayling-Roscommon La Leche League. The meeting will be held on Thursday, April 7 at 7:30 p.m. at 704 Ionia Street, Grayling. This is the last meeting of this series; a new series of meetings will begin in May in Roscommon.

La Leche League believes that mother's milk is the best food for baby; more importantly, that breastfeeding gives baby the best start in living.

The discussion will include suggestions about nutrition for nursing mothers and their families; starting the baby on solid food; and information about weaning the breastfed baby.

Expectant mothers are encouraged to attend the series of meetings before the baby arrives. Babies are always welcome. For further information, or breastfeeding held, call Carolyn Crist at 275-8431.

Graylingites Meet
In Florida

In spite of intermittent rain (mostly "mittent" - very little "inter"), Graylingites and friends of Graylingites from such widely separated "Sno Bird Nesting Areas" as Panama City, New Port Richey, Dade City, Zephyrhills, and Vero Beach converged on Pleasant Ridge Park for the fifth annual "Grayling Day in Lakeland" picnic.

Weather making the usual outdoor affair exceedingly risky, Bob and Katie Funck conveyed the entire group six or eight miles to the Kathleen Methodist Church where forty-one friends and neighbors ate, talked, renewed old acquaintances, made new ones, exchanged news and had a general good time before the spring migration starts. Soon most of them will be on their way back to Grayling for the summer.

It's Easter Bunny Time

The Easter Bunny visited downtown Grayling and the mini-mall to check on all the good kids.

Easter Seals

An Easter Seal coin card drive was held in the Frederic Elementary School, Grayling Elementary and Grayling Middle Schools the last two weeks in February. The response was very good and a total of \$133.22 was collected. This money will be used toward the purchase of loan equipment.

Each child received a book mark regardless of their participation.

A great big "Thank You" to the children and the teachers, who distributed the cards and took care of them when they were returned.

Par For The Course

by Fay Bovee

The snowstorm has curtailed some of our harder golfers' activities, we think. But then again this writer could be wrong; we just haven't seen them out there the past two weeks.

In spite of the late storm, the Grayling Country Club will be getting ready for their official opening on April 15. The new clubhouse manager is Gordon Cheyne and he will be assisted by Sherry Cadeau. He is expecting to upgrade the menu and will be serving homemade soups and chili during the cool spring weather and perhaps on into the summer. We had the opportunity to meet Cheyne and he says he is most anxious to get started and is excited about the prospect of managing the club. The next two weeks will be clean-up time and getting ready for the grand opening. We are optimistic that the weather will cooperate this year.

The annual Opening Party of the club will be held on Saturday evening, April 30, 1983. Plans are forming for the music and the dinner. It will be limited to members and their guests and to a limit of 100 people. It is hoped that all club members will be contacted personally by one of the committee for tickets, but in case you are missed, please call or write any of the committee, Mike DiPoncio, George Kents, Chuck Ficks, Jerry Parks or Bob Bovees.

Operation Identification

by Sherry Haag

Would you like your valuables, (TV, stereo, etc.), in your home permanently marked?

The Retired Senior Volunteer Program of Crawford County with the co-operation of the Sheriff's Dept. is sponsoring Operation Identification. Senior Volunteers are available to come to your home and mark your valuables with your identifying number.

Statistics prove homes that are identified are less prone to being burglarized. In cases where items were taken, the chances of them being recovered were higher when the items were marked.

There is No Charge for this service.

Please call RSVP for an appointment at 348-4341 or 348-8322.

Michael Jurkovich has completed a 50 week automotive course at Motech Automotive Educational Center in Livonia and is now certified with the State of Michigan.

Rick and Becky Hallett of Toledo, Ohio are the proud parents of a baby boy, Iain Andrew, born Friday, March 25, 1983. He weighed in at 7 lbs. 3 ozs. Grandparents are Marvin & Carol Hallett of Grayling and Myrtle Williams of Houghton Lake and Ralph Williams of Traverse City.

Scott Dunkley, sophomore, was named to the Dean's list at Ferris State College.

Julie Dunkley was guest of honor at two bridal showers. The first, a champagne brunch, hosted by Cindy Kageman and LeeAnn Dunkley was held February 12, for twenty-eight guests. On March 19th a luncheon was given by Janet Reis in Waterford, Michigan for twenty-two guests.

A former Grayling High School graduate, Wendy Gee, daughter of Mr. and Mrs. Gordon Farley, received a promotion to Lt. j.g. in February. Lt. j.g. Gee is of the US Navy and is assigned to the Defense Intelligence Agency in Washington, D.C. where she has been for two years. She went directly there from O.C.S.

Carl Hatfield, local antique dealer and owner of the Potbelly Antiques, north of Grayling, was guest speaker at the Marie Therese chapter of the D.A.R. in Cadillac on Saturday, March 19. This time the topic was "Antiques and What's Collectible."

Harold Johnson.

Mrs. Leona Tubbs attended the funeral of her father, Mr. Leo Kirchner in Flint on Thursday. Our sympathy is extended to the family.

Mr. and Mrs. Bill Braun hosted the last party of the season. Prizes were won by Vi Wingeier, Virginia Parker, Ethel Morris, Tom Morris, Marvin Wikoff and Tom Miller.

Electric Guide

New behavioral studies of sharks and related fish confirm that they are guided by faint electric fields rather than odor cues in the final moments before feeding attacks. Although odor cues attract the sharks from a distance, at short range the bio-electric fields proved much more compelling to the animals.

Reynolds Reaps Ski Honors

Karyn Reynolds, a 16-year-old Grayling High School junior, was awarded the Kircher Cup as the top junior female racer in the Central United States Ski Association region III (Michigan lower peninsula, eastern upper peninsula, and Indiana).

Reynolds won ten of twelve races she entered this season in region III of the Central U.S. Ski Association, an association which is a farm system for the U.S. Olympic Ski team.

In addition to the Kircher Cup, Reynolds was awarded trophies at the region III annual banquet at Boyne Mt. as the top-rated skier in slalom, giant slalom, and downhill based on this season's results.

Reynolds led the girl Vikings to a fifth place finish at state as she took first in the slalom and fourth in the giant slalom.

Saint Francis' Easter Celebrations

The parish of Saint Francis' Episcopal Church will be celebrating Easter with two services this year. The main celebration of Easter will be The Great Easter Vigil, and will take place on Saturday evening, April 2nd, at 8:00 p.m. This service includes lighting of the paschal fire, recounting the history of the old covenant, renewal of the Baptismal Vows and the First Eucharist of Easter. All are invited to participate in this ancient, early Christian celebration. There will be a reception following the service.

Easter Day will offer a family children's service, April 3rd, at 10:00 a.m. This service will include a play, the giving of Easter plants, children's songs, and an Easter Egg hunt after the service. Eucharist will also be offered during the service, and we invite you to attend with your children and families.

Michigan Environmental Index Shows Gains, Losses

Lansing — The state of the environment in Michigan was at a virtual standstill last year, according to a barometer tended by the Michigan United Conservation Clubs (MUCC).

MUCC's fourth annual Environmental Quality Index revealed no appreciable changes in five of the seven categories measured — air, water, wildlife, fish, and energy. One of the remaining categories — lands and forests — showed a gain of one point, which was offset by a decline in the same amount in outdoor recreation, the final category.

The Index is based on data from a survey of Michigan authorities on natural resources conservation and the environment as well as evaluations by members of the MUCC staff.

Some highlights from the 1982 Index findings:

Air — "The big news in

1982 was denial (by the state) of Detroit Edison Company's request to continue burning dirty coal...at its Monroe power plant."

Water — "Michigan is in for a long spell of depressing revelations about the hidden poisons in our water. New locations of contaminated groundwaters were being discovered...at the rate of six per month."

Wildlife — "One definite bright spot — we have a booming goose population...On the other hand, prairie chickens may be gone from Michigan and a small snail found only in the Huron Mountains may be extinct."

Energy — "Used oil recycling has caught on! Fifty-three counties are now taking part in the recycling used oil. About 425,000 gallons of used oil were recycled in 1982, most of it being refined into lubricating oil."

Taylor to Chair St. Jude Bike-A-Thon

The Central Regional Office of St. Jude Children's Research Hospital announced today that Mr. Howard Taylor has agreed to chair the St. Jude Children's Research Hospital Bike-A-Thon in Grayling.

St. Jude Children's Research Hospital was founded by entertainer Danny Thomas. The institution opened its doors to the public in 1962 to combat catastrophic diseases which afflict our children. St. Jude Hospital is non-sectarian, non-discriminatory, and provides total medical care to over 4,200 patients.

At St. Jude, scientists and physicians are working side by side seeking not only a better means of treatment, but also the causes, cures and prevention of these terrible killers.

All findings and information gained at the hospital are shared freely with doctors and hospitals all over the world. Thanks to St. Jude's, children who have leukemia, Hodgkin's disease, sickle cell anemia, and other child killing

diseases now have a better chance to live.

The Bike-A-Thon program is dedicated to "Terry". Terry was diagnosed with leukemia in March of 1978, and began treatment at St. Jude Children's Research Hospital. Today, she is well and off all medication. Terry is a living example of the progress and success of the research, patient care, and educational programs of this internationally recognized hospital.

The funds raised in the Bike-A-Thons this spring will help assure the continuation of the life giving work at the hospital.

The concern which Mr. Taylor has for the work being done at St. Jude is greatly appreciated. The Children hope that the citizens of Grayling will wholeheartedly support the upcoming Bike-A-Thon.

4-H Swimming Program Grows

Swimming and 4-H in Crawford County have become a real two-some.

4-H has held a swimming program for county youth for the past 3 years thanks to local businesses and Red Cross Water Safety Instructor, Jean Schmidt.

Miss Jean (as she is known by the swimmers) began the 4-H program during the summer of 1980 at Pine Knoll campground. The program has been held there every summer since. During the winter of 1980-81 the program was held at the Hospitality House and then moved to the Grayling Holiday Inn, where it has been the past two winters.

Miss Jean began with a 4-H group of 60 youth ages 3 and older and it has since grown to approximately 180

youth. Twelve of the youth who started the program with Miss Jean have been certified as Junior Water Safety Guards.

Miss Jean has certified many Red Cross beginner swimmers, advanced swimmers, and intermediate swimmers.

4-H More Than Cows & Cooking

What's "4-H"? 4-H is the youth division of the Cooperative Extension Service. Basic funding comes from land grant universities such as Michigan State University cooperating with counties and the United States Dept. of Agriculture. The 4-H's stand for Head, Heart, Hands, and Health. The program offers numerous opportunities to area youth of all ages through individual interest clubs where youth learn "hands on" experiences under the supervision of adult volunteer leaders. Through 4-H, youth have opportunities for travel, scholarships, camps, community service, etc.

4-H is just cows and cooking? Not true. Today 4-H members may choose from over 200 projects areas such as health, skiing, crafts, energy, personal appearance, weather and aerospace, communications, performing arts, photography, shooting, sports, outdoor survival - or they may develop their own project to fit their needs and interests. 4-H is not a "club", 4-H Youth Programs have many individual interest clubs.

4-H Youth Programs also provides materials and programs to school, and organizations. 4-H believes in youth involvement in their community and state. 4-H members work "To Make the Best Better."

Many counties have 4-H awareness teams. These are teams of older youth who research disease, or alcoholism or drug abuse and then through presentations to organizations and groups, help to inform the community.

The success of 4-H programs depend on volunteers. New leaders and program coordinators are needed constantly. A specific talent is not necessary to be a good leader - just an interest in youth. A leader may request to work with a specific age group or to work only with a certain number. 4-H programs are open to all without regard to race, color, national origin, sex or handicap.

For more information on 4-H in your county call the Cooperative Extension Service located in the County Building at 348-2841 ext. 265.

RSVP Halfway On Fund Drive

The Retired Senior Volunteer Program of Crawford County would like to take this opportunity to say Thank You to all the generous people who have made contributions in response to our annual Mail Campaign fund raising letter.

We have received \$2,552 of the \$5,000 we are required per ACTION grant to raise locally. The federal agency provides \$25,649 of our total budget of \$39,230. We do receive monies from the state for transportation costs and receive in-kind office space and equipment, but the \$5,000 is actual monies needed for mileage and meal reimbursement for volunteers as well as to cover costs of insurance and recognition events for the volunteers.

This is the 10th year of RSVP in Crawford County. Senior volunteers have provided thousands of hours of service to the community. These services provided save the community money. Help us continue helping the community.

To those who would like to make a contribution, they can be mailed directly to the Grayling State Bank or you can stop at the RSVP office at 308 Lawndale. 100% of all

Services Held For Eric Post

Eric E. Post, 73, died Monday, March 21, 1983 at his residence. Funeral services were held 1:00 p.m., Saturday, March 26, 1983 at Gorsline-Runciman Company in Lansing, with The Reverend Royal S. Woodhead officiating. Burial was in Deepdale Memorial Park, Lansing.

1st TICKETS—County Republican Chairman Art Thayer sells the first tickets to the annual Republican Lincoln Day dinner to Dr. Ralph Hoffman and his wife Nancy Hoffman. The main entertainment at the April 15 dinner at 7 p.m. will be the Hoffman's daughter, Bridget, introducing the film "Stewards of the State" - a film in which she plays a lead role. Tickets for the event may be purchased from Clough Realty, county committee members, or by calling 348-7253.

Chamber Chatter

By Joyce Kolka

By Guest Writer, Don Geiss

The Crawford County Economic Development Committee is planning an open meeting in April to inform the public about developments in the county in industrial and new business promotion, prospects for the future and a look at the job responsibilities of the persons who are attempting to attract business and industry to the county. There will be more information about this meeting in future columns as the time and full agenda for the meeting are established.

The annual Secretary's Luncheon will be held at the Grayling Holiday Inn on April 21. This luncheon has traditionally been an excellent way to demonstrate appreciation to the folks who keep the office running smoothly. According to our information, a special program is planned to make the affair one to remember. Reservations should be made at the Holiday Inn.

The chamber is looking for a trophy case to display the many trophies that have been won by the parade float. It was thought that perhaps someone might have a cabinet gathering dust that could be converted for that purpose.

The public relations director for the Hudson's Stores has asked us for ideas that the various stores could use to promote tourism and travel. We have been in contact with the PR person and have suggested using our tourist video tape in the vicinity of their restaurants. They will also be promoting some tourist exhibits in selected stores. It does appear to be an excellent promotional activity at a minimal cost.

On March 17 a very successful ground breaking ceremony was held for the Grayling Health Care facility. While no TV station crews were on hand for the ground breaking, Channels 9 and 7 carried the verbal story on the evening news that day.

Speaking briefly at the ceremony were Grayling Mayor Sandy Thompson, Crawford County Chairperson Jeannette Kitchen, Chamber of Commerce President Ernie Dawson, and co-owner of the facility, Esa Tarvainen. Ken Eversoll of the International Construction Co. of Columbus, Ohio, the construction management firm, told the audience of about 75 persons that he was very impressed with the cooperative attitude of everyone locally that he had occasion to contact.

Details for an exhibit at the WKNX radio Show in Saginaw are being finalized. The chamber public relations director will handle the exhibit during the daytime and Mrs. Jean Roemer of Wyandotte Lodge will take the exhibit over in the evening. Chamber Secretary/Manager Joyce Kolka will be on hand the weekend of April 23-24 to assist at the booth. Chamber members should have their literature for the show turned in to the chamber office by April 18.

The exhibit, presently on display at the Grayling State Bank will be modified so that it will be freestanding and elevated to tabletop height.

On another matter, bumper stickers in limited quantity are available at the chamber office which say, "Support Northern Michigan", "Buy Locally".

This week we would like to pay tribute to Sherry Hanson of United Federal Savings and Loan for outstanding work on behalf of the community. Mrs. Hanson is presently Second Vice-president of the Grayling Regional Chamber of Commerce and a very active member of the Board of Directors.

She serves on the Milltown Festival Planning Committee, the Dues Structure Committee, and the Executive Committee of the chamber among many other committees. She is also a member of the United Way Committee and consistently comes up with ideas to promote the community.

She is indeed a hard worker for the community!!! The chamber is planning a general membership meeting for the evening of April 14 at the Holiday Inn. At that meeting promotional plans for the year will be discussed.

Attend the Church of Your Choice

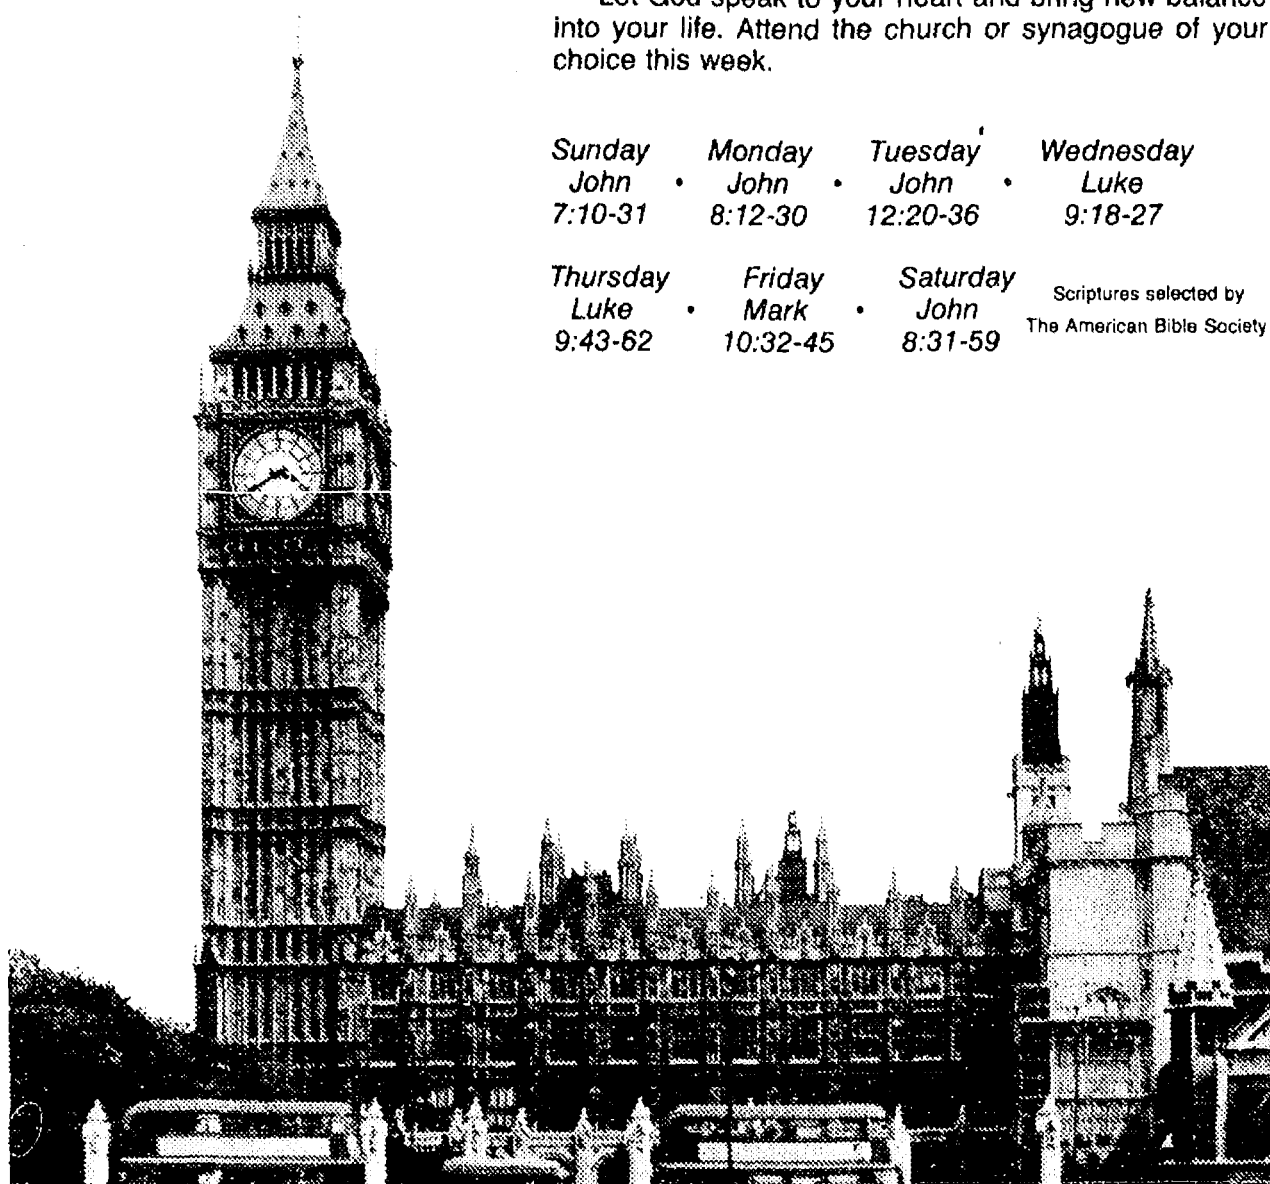

THE CLOCK IS TICKING

"If I just had more time to do things," exclaimed a busy housewife. We all know this feeling of frustration that comes from not finding enough hours in a day. Time to kill is a luxurious sounding phrase to human ears.

Time, however, is one commodity that cannot be bought. Try as we will, we cannot crowd more than 24 hours into one day. Whether it's too much time on our hands or too little, we need a constant awareness of the importance of how we spend our time.

Someone remarked that after a hundred years, all of us would be gone. This thought makes current problems look awfully small. Lives that seek a balance of work, play and worship have given evidence of being happier lives.

Let God speak to your heart and bring new balance into your life. Attend the church or synagogue of your choice this week.

Legal Notice

STATE OF MICHIGAN
In the Circuit Court for
The County of Antrim

File No. 82-2947-CH
Empire National Bank of
Traverse City, a national
banking association,
Plaintiff,

vs.
Chain-O-Lakes Marine, Inc.,
a Michigan corporation,
Edward A. Bryant and Janet
Marie Guffen Bryant,
Defendants.

**NOTICE OF SALE
OF REAL ESTATE
ON FORECLOSURE**

Public notice is hereby given that pursuant to a judgment of foreclosure and an order of sale entered by the Circuit Court for the County of Antrim, State of Michigan, on the 17th day of January, 1983 in favor of Empire National Bank of Traverse City, Plaintiff and against Chain-O-Lakes Marine, Inc., a Michigan corporation, Edward A. Bryant and Janet Marie Guffen Bryant, Defendants, I shall offer for sale to the highest bidder at a public auction to be held at the Antrim County Courthouse on the 14th day of April, 1983, at 10:00 a.m., the following described real estate:

That part of Government Lot 6, Section 21, Town 29 North, Range 9 West, described as being a parcel of land bounded on the East by the West boundary of U.S. Highway 31 right-of-way; on the South by the North boundary of River Street; on the West by the East boundary of Bridge Street, on the North by the South bank of Elk River; also known as "Chain-O-Lakes Marine Basin," Elk Rapids Township, Antrim County, Michigan.

PARCEL 1: Commencing 10 rods East of the Southeast corner of Michigan State Highway Park in Section 29, Town 25 North, Range 3 West; thence 16 rods South; thence 10 rods East; thence 16 rods North; thence 10 rods West to the Place of Beginning. Being part of the South ½ of the North ½ of the Southeast ¼ of Section 29, Town 25 North, Range 3 West.

PARCEL 2: A part of the North ½ of the Northeast ¼ of the Southeast ¼ of Section 29, Town 25 North, Range 3 West; Beginning at the Northwest corner of said tract, and running thence North 89° 59' East on ¼ line, 165 feet; thence South 0° 50' West, 331.7 feet to North line of Highway M-76; thence North 66° 47' West along same 178.4 feet to 1/8 line; thence North 0° 50' East on same 261.8 feet to POB. Township of Beaver Creek, Crawford County, Michigan.

Lot 13 of H. H. Noble's Addition to the Village of Elk Rapids, Michigan, as recorded in Liber 1 (B) of Plats, page 131 in the office of the Register of Deeds in and for Antrim County, also.

The South ½ of the former Noble Street lying North of Lot 13 of H. H. Noble's Addition to the Village of Elk Rapids, according to the recorded Plat thereof.

Redemption period expires six months from the date of sale.

Grayling Township Board

Special Meeting — March 22, 1983

Members Present: E. Gardiner, M. Hallett, J. Bonkowski, M. Ashton, B. Fowler.

Others present: Barb Sojka, Bob Chappel.

Supervisor Fowler opened the meeting at 7:00 p.m.

Before opening discussion of the two previously submitted bids for Township office space from M-72 Associates and VanderLaan Land Co., Supervisor Fowler noted that he had recently received inquiries from several other interested parties. These included: 1) Bill Joseph's Yardstick on Main Street. 2) Grover Cason's building next to Save-Way Laundromat. 3) Steve Southard's building next to Ray's Canoe Livery. 4) Margaret Chappel's office next to the Arrowhead Inn. These offers were not formal bids but were discussed and set aside for reasons of unsuitable square footage and inadequate or inconvenient parking.

Comparison of the remaining bids ensued and after much discussion it became apparent that the M-72 Plaza bid submitted by Jack Hull of Miller Christensen of Grayling, Inc., was the most economical and best suited to our needs at the present time.

Motion by Bonkowski, supported by Gardiner, to accept bid from Miller Christensen of Grayling, Inc., per letter submitted March 3, 1983, for Township office space. Roll call: Gardiner-aye, Hallett-aye, Bonkowski-aye, Ashton-aye, Fowler-aye. All ayes. Motion Carried.

All bids for Township office space are on file at the Grayling Township office.

The Board watched a demonstration of a Xerox copier. No action taken.

Motion to adjourn by Hallett, supported by Bonkowski. All ayes. Motion carried.

Respectfully submitted,
Monica S. Ashton, Clerk

NOTICE OF MORTGAGE SALE

Default having been made in the terms and conditions of a certain mortgage made by Richard A. Ferguson, a single man of Route No. 2 Box 2481, Grayling, Michigan 49738, Mortgageors, to the Grayling State Bank, A Michigan Corporation of Grayling, Michigan 49738, Mortgagee dated January 11, 1978 and recorded in the office of the Register of Deeds for the County of Crawford and State of Michigan on the 12th day of January, 1978, and in Liber 166 of Crawford County Register on Page 147 on which mortgage there is claimed to be due, at the date of this action for principal, interest, and real estate taxes paid by mortgagee the sum of Nine Thousand Four Hundred Fifty-Six Dollars and 99/100 (\$9,457.99).

And no suit or proceedings at law or in equity having been instituted to recover the debt secured by said Mortgage or any part thereof, Now therefore, by virtue of the power of sale contained in said Mortgage, and pursuant to the statute of the State of Michigan, as such case made and provided, NOTICE IS HEREBY GIVEN that on the 1st day of June, 1983, at 10:00 O'clock A.M. said Mortgage will be foreclosed by a sale at public auction to the highest bidder, at the front door of the Crawford County Building, in the City of Grayling, Michigan (that being the building where the Circuit Court for the County of Crawford is held), of the premises described in said Mortgage or so much thereof as may be necessary to pay the amount due, as aforesaid, on said Mortgage, with the interest thereon at 9 1/4% per annum, and all legal costs, charges and expenses, including real estate taxes which may be paid by the undersigned necessary to protect its interest in the premises.

Said premises are described as follows: State of Michigan, County of Crawford, in the Township of Grayling, to wit: The West ½ of the East ½ of the East ½ of the Northeast ¼ of Section 15, T26N, R3W. Dated March 2, 1983.
